* Stop by your school district's information table to get specific district procedures regarding CCP.

Presentations:

(Matthews Auditorium)

The listed colleges will give a short presentation about their respective College Credit Plus program, application process, admission deadlines, and placement criteria.

Colleges will not take questions during the presentations due to time constraints. Individual questions may be asked to representatives at the information tables.

Information Tables:

(Upstairs Viking Village)

Both high schools and colleges will have information tables set up in the gym area. Representatives from those institutions will be available to answer specific questions regarding how College Credit Plus procedures work for their students.

COLLEGE CREDIT PLUS:

Ohio's new College Credit Plus can help students earn college and high school credits at the same time by taking college courses from colleges and/or universities. The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of options to college-ready students.
