

January 31<sup>st</sup>, 2019

Dear Current 8<sup>th</sup> – 11<sup>th</sup> Grade Parent/Guardian:

Through Ohio Senate Bill 311, the State Board of Education has adopted a plan that enables students to “earn units of high school credit based on demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction”. This plan is referred to as “Credit Flexibility”.

The Wyoming City School District has developed a credit flexibility plan that will enable students to earn high school credit by: a) completing coursework, b) testing out of or demonstrating mastery of course content, c) pursuing one or more educational options in accordance with the District’s Credit Flexibility plan, or d) any combination of the above. This plan went into effect beginning with the 2011-2012 school year.

Students choosing to take advantage of this opportunity must complete a Wyoming High School Credit Flexibility Application and submit it to the Middle School or High School Guidance Office no later **than 3pm, Friday, MARCH 1<sup>st</sup>, 2019**. Applications are available on the High School website on January 31<sup>st</sup>.

You will find an application for Independent Study as well as specific applications for Summer School PE and online Health. Students may take Summer PE at any accredited high school; additional text work or quizzes is no longer required.

All applicants will receive notification of approval within seven calendar days in order to accommodate appropriate schedule changes. **Any student who applies after March 1st will not be eligible for the credit flexibility option during the 2019-2020 school year.**

For more information about how credit flexibility may apply to your child’s academic planning, please contact Monica Moore, High School Counselor, at 206-7059 or [moorem@wyomingcityschools.org](mailto:moorem@wyomingcityschools.org).

Sincerely,
