COVID 19 STATEMENT

In March of 2020, Wyoming High School transitioned to a fully remote format for the remainder of the school year. All extracurricular activities and sports were cancelled. **For the 4th quarter, students were graded Pass/Fail. The final letter grade on their transcript is based on the first three quarters of the academic year.** In addition to the disruption to their academic and extracurricular experience, students were sheltering in place as the state of Ohio was under a "stay at home" order from mid-March to mid-May. For the '20-21 school year, we are in-person with a remote option for students who do not feel comfortable being in-person. We also have plans in place to pivot to a hybrid or fully remote option should the Covid 19 cases in our area warrant that change. Extracurricular, leadership and volunteer activities continue to be limited.
