

Wyoming City Schools

COVID-19 Guidelines (August 6, 2021)

This document outlines the guidelines and expectations by Wyoming City Schools athletics related to COVID 19. This document does not supersede guidelines, mandates, requirements and/or orders put into place by the Ohio Governor's Office and/or the Ohio Department of Health and/or guidelines, mandates, requirements and/or orders put into place by federal, state, local or county officers or health departments and/or local school districts.

Transportation

Student athletes and coaches must wear a mask/face covering on the bus and in school vans.

Game and Ticketing Information

We are excited to welcome you back to our athletic events. All events will be at full capacity. Our goal is to create a safe environment to conduct contests under the guidelines we have been given.

All indoor spectators are required to wear a mask upon entering our facility and required to wear a mask while inside our school buildings. Masks are NOT required for outdoor events.

No outside food or drink may be brought into the stadium/gym. We will have concessions available at selected events. No spectators/parents will be allowed to be inside the gate on the track at the stadium unless they are serving a function of the game operations.

Once again, this year we will use online ticketing. You don't need code! Tickets can be purchased at www.wyomingathletics.org under the "Tickets" tab. If you are a Super Booster, you will get your code in the next several days.

Please note the indoor masking requirements will vary by school. Please be respectful of the host schools' requirements to attend games and contests.

Athletic Training Room

All student athletes must wear a mask while in the indoor athletic training facility.

Locker Rooms

Locker Room will continue to be cleaned and sanitized on a regular basis.

Participants must wear masks in the indoor locker rooms.
