

3rd & 4th Grade:

Science Resources

Discover:

[Cincinnati Museum Center Omnimax Streaming Videos](#) -

The Cincinnati Museum Center is offering Omnimax movies for free streaming on your home TV! We recommend Dolphins, Humpback Whales, Dream Big, and more.

SUMMER 2020

EXPLORATION & EXTENSION RESOURCES

Generation Genius - [Properties of Matter](#) & [What is Science](#):

Think through what you are learning and share the information with another member of your house!

[Live Animal Cams](#) - View nature with a bird's eye, up-close view from far away.

Do:

[Engineering At Home Activities](#) - Lots of different activities are available!

[Mystery Science lessons](#) - Make sure you click on 3rd/4th grade so you are looking at what we are learning. Start with [How does hand sanitizer kill germs?](#)

[Science Experiments](#) for when you're stuck at home. Get your parent's permission, please!

Explore:

[Brainpop](#) - Check out Brainpop for many areas of quick, bite-sized pieces of learning with Tim and Moby. Usernames are:

Elm: wyomelm
Hilltop: wyomhilltop
Vermont: wyomvermont
Password: cowboys

[Study Jams](#) - Study Jams is a great way to introduce yourself or review science concepts.
