

Guide for Canvas Parent Account Creation and Linking to Student for Smart Phone

1. Go to the App Store on your smartphone (Play Store for Android, App Store on iPhone).
2. Search for “Canvas Parent” and install (the free app). There are different versions of Canvas depending on your role, so be sure to select “Canvas Parent” as seen in the picture below.

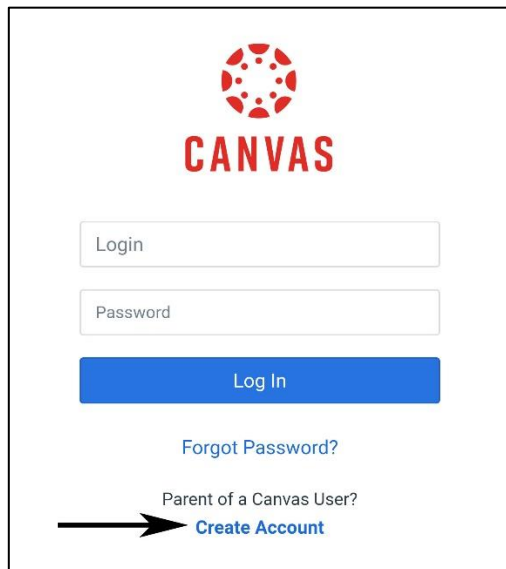

3. Once installed, open the Canvas Parent app and choose the “Find my School” button in blue.

4. Search for “Wyoming City Schools” and select it to take you to the parent/student selection screen. Click “Parent Login” to take you to the login/account creation screen.

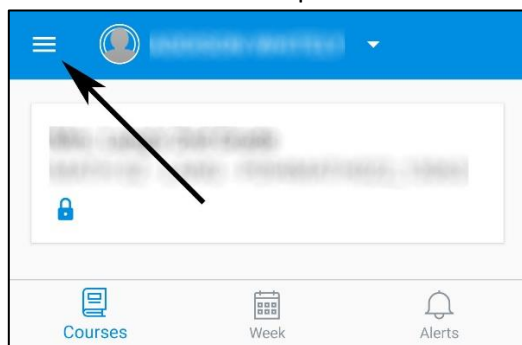

5. Click "Create Account".

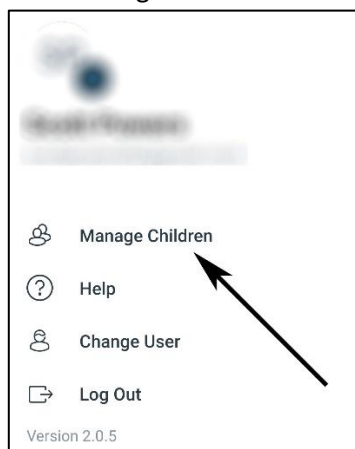

6. Fill out the required information and enter the Student Pairing Code. Once information has been entered, click the blue "Start Participating" button. You can now log in to the Canvas Parent App on your smartphone to view your student's data.

Adding Additional Students to Canvas Account

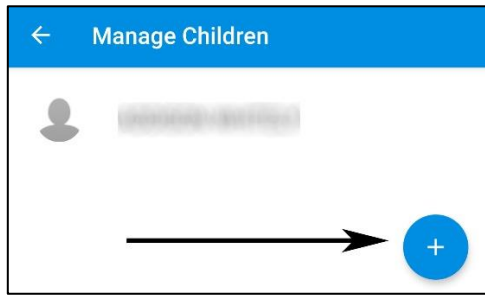

1. Open your Canvas Parent app on your smartphone.
2. Click the 3 lines in the top left corner.

3. Click Manage Children.

4. Click the + key.

5. Enter your child's pairing code and hit OK to complete the process.
